9179290885

Authorized to work in the US for any employer

Work Experience

Crew Leader

Pokeworks - New York, NY

April 2017 to December 2017

It's a restaurant that serves poke. The business there gets hectic, therefore the workers should have good communication skills to the team and to the costumers to ensure the place run smoothly. Other jobs includes cleaning, and counting cash.

Cashier

Hong Kong Station - New York, NY

December 2015 to June 2016

I give costumers their food and make drinks. I also worked with the cash register as well.

After School Program

Opportunity Network - New York, NY

September 2012 to June 2013

OppNet prep was a program that I attended for a year where it teaches students about professional etiquette, how to build a resume, and networking experiences.

Volunteer Work

CPC - New York, NY

April 2012 to June 2012

After school program. I helped teachers in the classroom, tutoring kids and helping them with their homework.

Education

Currently enrolled in Computer Science

Hunter College - New York, NY

August 2016 to June 2020

Graduated

Baruch College Campus High School

Skills

Proficient in using Microsoft office, google docs.. etc..., C++

Certifications/Licenses

Food Handler

June 2017 to Present

It's a food handler.

Additional Information

Although I might not have much experience, I always try my best and I'm always up for learning something new.
